

Assignments of Army Goodwill School (AGS) Dawar, Gurez

Students of AGS Dawar are regularly given assignments to strengthen learning and improve academic performance. Assignments generally include:

- Daily homework and classwork
- Subject-wise written assignments
- Project work and practical activities
- Reading and writing exercises
- Science and mathematics worksheets
- Drawing, painting, and creative activities
- Environmental awareness projects
- Computer and digital learning tasks
- Holiday homework and vacation assignments
- Preparation work for examinations and competitions

The objective of assignments is to develop independent learning, critical thinking, creativity, time management, and academic excellence among students. AGS Dawar also encourages participation in co-curricular activities, sports, painting competitions, environmental campaigns, and other educational projects as part of students' overall development.
